PRIVATE GAME RESERVE - SOUTH AFRICA ESTABLISHED 1979 40 YEARS OF EXCELLENCE

YOUR JOURNEY with Sabi Sabi

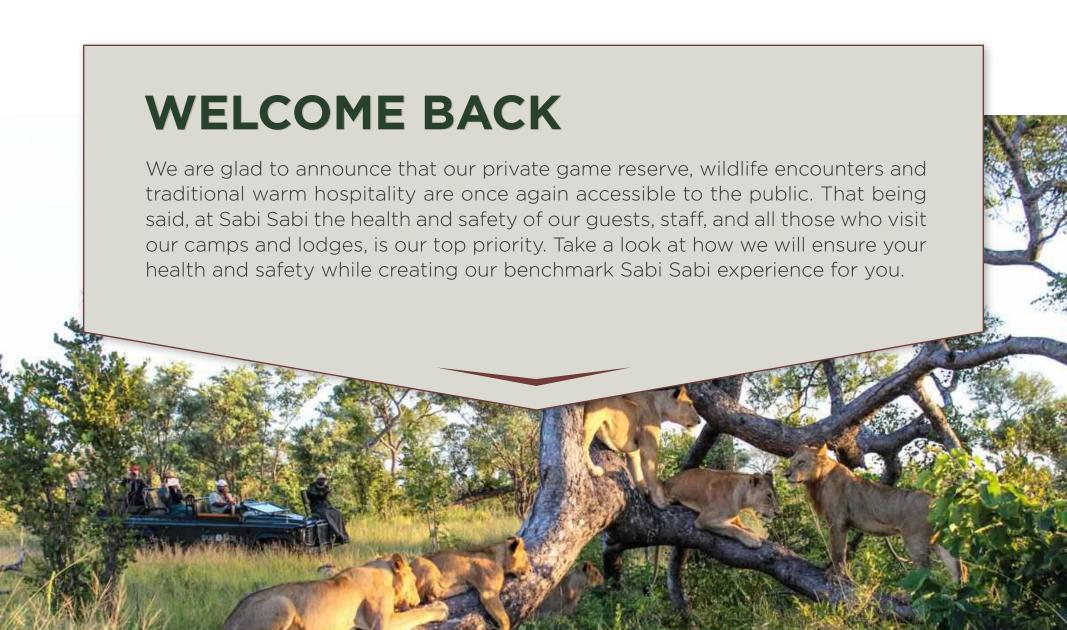

### During this new era

### THE WTTC SAFE TRAVELS ACCREDITATION

"Sabi Sabi is recognised as a business which has adopted health and hygiene global standardised protocols."

- World Travel Tourism Council

## **GUEST EXPERIENCES**

We have carefully considered your experience, from pre-arrival to departure, and created a suitable environment to ensure your safety, as well as ours. Communal interaction in our lodges, room services, dining experiences and activities have been adjusted accordingly to ensure you still receive the Sabi Sabi experience with complete peace of mind.

Our private suites and all

public areas of the lodges

have been carefully prepared

to receive guests comfortably and safely. Importantly our open areas and views to the bush remain unspoilt and will be a key attraction. Guests are orientated and

are given safety briefings

allowing for safe social distancing

Quarantine facilities are

available if required

**ACTIVITIES** 

activities have been adjusted to ensure the highest safety standards are met. However, you will still experience the Sabi Sabi quality guiding and safari experience that we have crafted since 1979.

Our daily routines and

On board sanitizers and hygiene packs are available with your Ranger

Maximum of six guests per

together may consent to

8 guests per safari)

safari group (Guests travelling

(with prior arrangement) available on request

Exclusive use of a safari vehicle

# **CULINARY EXPERIENCES**

Our dining areas have been increased and modernized with safety protocols, allowing guests to fully immerse themselves in the culinary experience that we have become renowned for over the years.

and can be viewed from the comfort of your device

Menus are available digitally

increased to allow for safe social-distancing Pantries, cold storage and

Dining areas have been

preparation areas meet strict hygiene standards

#### STAFF & SERVICE Our priority during this time is to protect the health and safety of our staff

and guests while maintaining our hearty Sabi Sabi service that many have become accustomed to over the years. We have adopted strict safety protocols and routines and have a dedicated team managing these while keeping abreast of the latest developments regarding Covid-19.

### WE NOW HAVE A FULL TIME PROFESSIONAL CLINICIAN As an added precaution to ensure health and safety requirements are met at all

times, a full-time professional clinician is available to assist you in the case of any

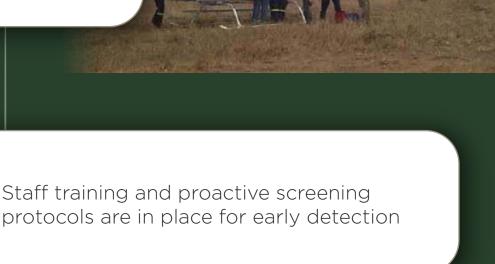

medical emergency and will consult in conjunction with Dr. Simon King (who remains on call remotely), who has assisted us with extensive medical protocol advice. This means you are in the hands of trained professionals, should you experience any COVID-19 associated symptoms.

### Much has changed behind the scenes at Sabi Sabi. Here are some of the changes we have implemented to create a safe environment

**BEHIND THE SCENES** 

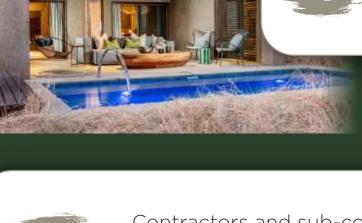

Access to around-the-clock medical response services as well as regular updates from medical professionals

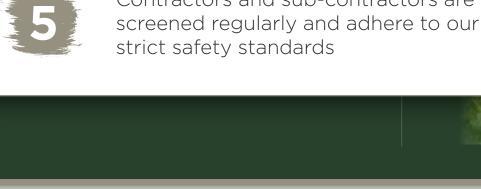

Health and safety officers effectively monitor, manage and enforce safety

protocols

Contractors and sub-contractors are

Fully equipped suites reserved at all times to be used as isolation facilities when required

Our mission at Sabi Sabi is far greater than solely being a tourism organisation. We want to build a sustainable future by creating experiences and instilling knowledge

that inspires advancement on our beautiful planet for generations to come. We know that this can only be made possible with you, our guests.
